

THE ACADEMY

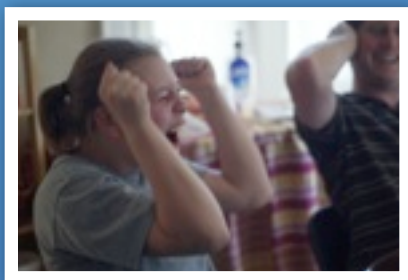

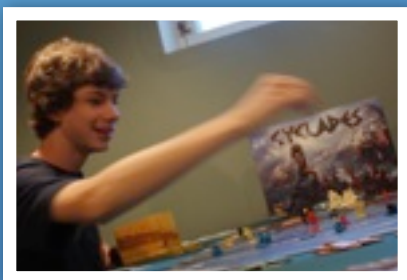

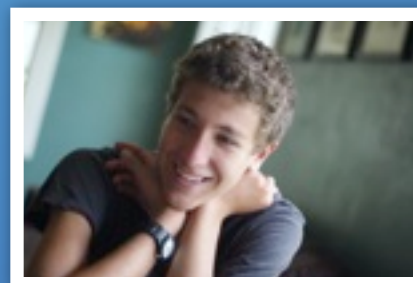

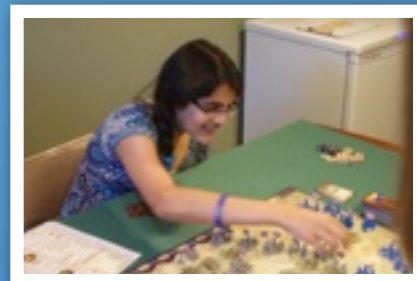

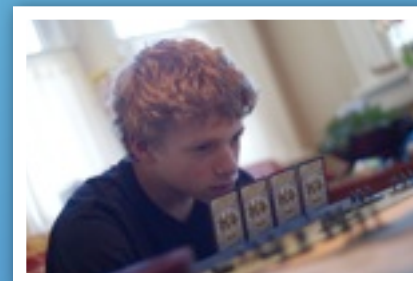

Upping your game!

Welcome to The Academy. You have been personally selected to attend this week long game camp due to your demonstrated interest and talent. You have proven you are ready to step up your game and be a part of this new camp.

The Academy will offer more advanced games to push your skills to greater heights. You will be challenged to develop better strategies, to work independently and problem solve, to analyze information, and to develop your overall game.

Are you ready to take on this adventure? We think you are!

Consider participating in our Victory Points and Stay Sharp camps as well. Both will also be great fun and continue to develop your solid foundation in board gaming.

Alright, Recruits!

We're getting bigger - we've added two more weeks of thirdfloorgamers.com summer game camps this year and we want to share the fun with kids outside of our school community. You know more middle school-aged peers than you think: students your age on your soccer or hockey teams, or in your instrument lessons, kids you ride horses with or dance with, or friends from your neighborhood.

Invite your **non-USM** friends to one of thirdfloorgamers.com summer game camp this year, and we'll refund \$50* of your registration fee with their paid registration. Bring two friends, save \$100. The more friends you share this great summer experience with, the more you save.

It's up to you, Recruits. Spread the word ...Victory Points and Stay Sharp rock!

*Refunds processed after completion of session. Cancelled registrations will not earn referral discount.
